**ONLY
6%**

of dentists have earned their
AGD Fellowship.*

**I BECAME AN
AGD
FELLOW**

because my commitment to
continuing education goes far
beyond my educational and
licensing requirements.

**I HAVE
DEDICATED
MYSELF**

to learning, growing and staying
current in my field so that I can
provide the best oral care to all
my patients and their families.

Leaders Among the Dental Community

For more than 65 years, the Academy of General Dentistry has been a leading organization of general dentists. Now 40,000 members strong, the dedication of AGD members is good news for patients.
